India vs Pakistan T20 World Cup.... "I honestly never felt so," Kohli said when asked if it feels different whenever India meets its neighbouring country. I have just approached this game as another game of cricket and I know there is a lot of hype around this game, more so with tick-et sales and demands of tickets," the Indian captain, who has had some great performances against Pakistan added. Notably, India and Pakistan are scheduled to clash in the most-anticipated contest of the showpiece event on October 24. Pakistan has a dismal record against India in ICC tournaments with the men in green only winning 3 out of the 17 matches, and all three victories came in Champions Trophy matches. This is noteworthy that the last time Pakistan beat India was in the 2017 ICC Champions Trophy final.

Farooq Abdullah calls for talks.....

This will be the first-of-its-kind dialogue to be hosted by India. The tentative dates of the proposed in-person dialogue are November 10-11. Those invited to the NSA-level meeting include countries in the neighbourhood of Afghanistan-Russia, China, Tajikistan and Uzbekistan. It is learnt that that invite has also been extended to Pakistan's NSA Moeed Yusuf, although there is no official confirmation on the conference and invitation yet, it is learnt that preparations are underway. Answering another question on the recent civilian killings in Jammu and Kashmir, Abdullah termed the killings "extremely unfortunate" and alleged that attempts are being made to disturb the atmosphere of the union territory.

"It is being done as a part of a conspiracy to defame Kashmiris. Attempts are being made to disturb the atmosphere here. It is a conspiracy to defame Kashmiris," he added Abdullah's remarks came after a street hawker from Bihar and a worker from Uttar Pradesh were killed in two back-to-back attacks by terrorists in the Srinagar and Pulwama districts of Jammu and Kashmir on Saturday.

IAF Chief reviews operational.....

Two days after Indian Air Force Day, India and China military held talks to end the border dispute, but it did not result in resolution of the remaining areas with the Chinese not agreeing to "constructive suggestions" provided by the Indian delegation. Furthermore, the Chinese could not provide any forwardlooking proposals. "The meeting thus did not result in resolu-tion of the remaining areas," the Indian Army had said in a statement. The 13th round of India-China Corps Commander Level Meeting was held at Chushul-Moldo border meeting point on October 10, 2021.

During the meeting the discussions between the two sides focussed on resolution of the remaining issues along the Line of Actual Control in Eastern Ladakh. India had decided to resolve other remaining friction areas like Hot Springs and 900 square km Depsang plains during 13th round of military talks. The Indian side pointed out that the "situation along the Line of Actual Control had been caused by unilateral attempts of Chinese side to alter the status quo and in violation of the bilateral agreements." It was, therefore, necessary that the Chinese side take appropriate steps in the remaining areas so as to restore peace and tranquillity along the Line of Actual Control in the Western Sector. During the meeting, the Indian side therefore made constructive suggestions for resolving the remaining areas, but the Chinese side was not agreeable and also could not provide any forward-looking proposals. The two sides have agreed to maintain communications and also to maintain stability on the ground. India and China have been engaged in border dispute for the last 17 months in Eastern Ladakh.

The fringe lobby can never define the majority public sentiment," he said.Bhalla observed that such spineless attacks are a manifest display of the frustration and maniacal attitude of these nefarious forces which have utterly failed to break the unity of the people."They want another 90's like exodus but that is not going to happen anymore. The numerous delegations that went to exhibit their solidarity with the recently killed innocents have maddened our enemies and failed their plots. These attacks are only aimed to create a panicked environment in the valley but the people have firmly resolved to stand united against it," he observed.Furthermore, he expressed his profound solidarity with the bereaved family in this hour of despair and also prayed for eternal peace to the departed soul."I convey my heartfelt condolences to the bereaved family.
