industry which J&K deserved for its economic development and employment needs.

He said this lacuna of the successive governments is also one of the reasons for turmoil in the erstwhile state as Pakistan took advantage of the situation and misguided the youth to the hilt.

The delegation said that although J&K administration has announced a new industrial developmental scheme (IDS) with a total outlay of Rs 28,400 crore to encourage new investment and to take industrial development to the block level but still lot more has to be done to get maximum benefit of this sector as it can prove out to be a game changer if exploited in true sense because expansion of industry can tackle unem-
