## New chapter in Indo-US ties has begun.....

Global Strategic Partnership and exchange views on regional and global issues of mutual interest with President Biden. Among the issues also include discussion about new areas of cooperation, said a senior administration official on the eve of the India-US bilateral summit. Ahead of the visit, Foreign Secretary Harsh Vardhan Shringla said the two leaders are expected to focus on further bolstering bilateral trade and investment ties, strengthening defence and security collaboration and boosting the strategic clean energy partnership. "The bilateral meeting (between PM Modi and Proz. Biden) will also fracture the PM Modi and Prez Biden) will also feature the current regional security situation following recent developments in Afghanistan, our stakes as a neighbour and a longstanding and a preferred development partner of Afghanistan," he said in New Delhi on Tuesday. "In this context, we would undoubtedly discuss the need to stem radicalism, extremism, cross-border terrorism and the dismantling of global terrorist networks," Shringla added.

After the Taliban's takeover of Afghanistan in mid-August, India has been saying that its focus was to ensure that the war-torn country's soil is not used for terrorist activities against it. Shringla said the importance of smooth post-COVID travel, especially for students, is also an important factor and is expected to be discussed at the talks. Following the bilateral summit, Prez Biden in the afternoon would welcome PM Modi again at the White House for the first-ever in-person Quad summit. Prime Minister Scott Morrison of Australia and Prime Minister Yoshihide Suga of Japan will also attend the summit. The Summit provides an opportunity to take stock of the outcomes of the Quad leaders' Virtual Summit in March this year and identify priorities for future engagements based on our shared vision for the Indo-Pacific region. India, the US and several other world powers have been talking about the need to ensure a free, open and thriving Indo-Pacific in the backdrop of China's rising military manoeuvring in the region.

The Union Territory (UT) Government has constituted a Special Task Force (STF) which will scrutinise cases of employees suspected of activities requiring action under Article 311 (2) (c). According to order number 355 issued by J&K's General Administration Department, the task force will be headed by J&K's intelligence chief R.R. Swain, who served for a decade in the Research and Analysis Wing before returning to J&K.The STF will compile records of such employees, wherever necessary and to refer it for action to a committee headed by the UT's chief secretary. About 20 Government employees have so far been terminated on links with militants.

# Security of army bases,....

The officials in the security forces deployed in Jammu and Kashmir also said that despite the deep combing operations in the Uri sector for the last three days to flush out the terrorists, the absconding terrorists are traceless which raises a serious security threat. The administration had suspended the mobile Internet for three days so that these ultras could not contact their local handlers and restrictions on the movement of the residents were also made, but nothing has come up so far, sources said. It is now believed that they might have the support of local handlers who may have arranged a safe place to hide in for a while. On September 18, the security agencies had sounded alert that six terrorists from Pak-occupied Kashmir (PoK) had sneaked into the Indian Territory in Uri sector with a huge cache of arms and ammunition. The officials, who were privy to the operational developments, also confirmed that the Army had also inputs that a fresh group of infiltrators had sneaked into Uri via Gawahalan village on the border which was earlier used by the Pakistani terrorists to attack the military base in

Uri in September 2016.

New Delhi : Union minister Nitin Gadkari on Friday said he would issue an order in the next three to four months making it mandatory for the carmakers to introduce flex-fuel engines in vehicles. The Minister for Road Transport and Highways was speaking at the foundation stone-laying ceremony of a flyover in Pune, where Maharashtra Deputy Chief Minister Ajit Pawar was also present."I am going to issue an order in the next three to four months, in which carmakers - from BMW, Mercedes to TATA and Mahindra - will be asked to make flex engines," he said.

Gadkari said he has asked Bajaj and TVS companies to introduce flex engines in their vehicles, and also instructed them not to approach him until and unless they do so.
