# Pakistan's Terror Nexus Exposed Again at UNSC: Gaurav

Jammu, Sept. 15: Reacting to the fiery exchange between Israel and Pakistan at the United Nations Security Council (UNSC), BJP J&K UT Spokesperson Gaurav Gupta said that the incident has once again exposed Islamabad's undeniable

nexus with terrorism.
Gupta said, "The world cannot erase the fact that Al-Qaeda chief Osama bin Laden — the mastermind of the 9/11 attacks — was sheltered on Pakistani soil and ultimately killed in Abbottabad. This is not a matter of allegation but an established truth, a permanent stain on Pakistan's global image."

He noted that at the UNSC, Israel's envoy categorically reminded the world that when bin Laden was eliminated by US forces in Pakistan, no one questioned the action of targeting a terrorist on foreign soil. "The real question, then and now, is - why was Pakistan providing refuge to the most wanted terrorist in the world?"

Gupta said Pakistan's

envoy, instead of answering this fundamental question, chose to accuse others while conveniently ignoring his own country's shameful record of nurturing extremism. "This is the height of hypocrisy. Pakistan talks of peace in international forums but continues to export terror from its own soil. Their double standards have once again been exposed before the global community," he

The BJP spokesperson stressed that India's consistent position stands vindicated — Pakistan has long been the epicenter of global terrorism, from Osama bin Laden to Hafiz Saeed, from Al-Qaeda to Lashkar-e-

business process outsourcing and data management are increasingly being handed over to AI systems. Even software development is now being carried out by AI tools. With the latest version of ChatGPT, even someone with no knowledge of coding can generate code. That is how transformative this technology has become," Omar Abdullah observed. He emphasized that education must adapt to this changing environment. While acknowledging that some schools have advanced rapidly, he stressed that others continue to lag behind and need urgent attention. I am heartened to see that DPS Srinagar is not only helping its own students but also supporting initiatives like Techknow-25, where even government school students have participated," he added. Sharing a word of advice with the students, the Chief Minister said: "Always keep asking questions. It is curiosity that drives progress, and it is questions that create the answers of tomorrow." On the occasion, Omar Abdullah felicitated the schools that participated in Techknow-2025. Earlier, he took a round of the DPS Srinagar premises where he visited the computer labs, Atal Tinkering Lab, Innovation Hub, Junior School, and Learning Resource Centre, among other sections of the institution.

### PM Modi hails armed forces...

vcasing a calibrated. triservices response embodying precision, professionalism and purpose, the defence official said. Addressing the conference, Modi also praised the integral role played by the Armed Forces in nation building, anti-piracy, safe return of Indian citizens from conflict zones, as well as providing humanitarian assistance and disaster relief (HADR) assistance to friendly countries. In line with 2025 being the 'year of reforms' in defence, the Prime Minister instructed the Ministry of Defence to swiftly implement concrete steps to achieve greater jointness, atmanirbharta and innovation to meet future challenges and to prevail against any eventuality," the statement said. The conference is being attended by Defence Minister Rajnath Singh, National Security Advisor Ajit Doval, Chief of Defence Staff General Anil Chauhan, and Defence Secretary Rajesh Kumar Singh, among others. Held once in two years, the three-day Combined Commanders' Conference is the apex-level brainstorming forum of the Armed Forces, which brings together the nation's top civilian and military leadership to exchange views and lay the groundwork for the future development of India's military preparedness. Focusing on reforms, transformation and change and operational preparedness, the theme for this year's conference is 'Year of Reforms - Transforming for the Future', in line with the ongoing modernisation and transformation of the Armed Forces, the statement said. Over the next two days, the conference would conduct a holistic review of various structural, administrative and operational matters based on the feedback from across the forces, preparedness of the forces in the face of increasing global uncertainties, it said. Deliberations were held on a wide range of strategic issues, including force modernisation, jointness, integration and enhancing operational readiness for multi-domain warfare. The CCC was last held in Bhopal in 2023, which was inaugurated by Modi. The PM, who arrived in Kolkata on Sunday evening from Assam, left the city in the afternoon for Purnea in Bihar. This was Modi's fourth visit to Bengal in the past five months and the second within a month.

# Malik's Arrest Has Exposed AAP-NC's Pro-Pak Agenda: Tarun Chugh

Jammu, Sept. 15: BJP National General Secretary Tarun Chugh & Prabhari for J&K BJP, said that the antinational face of the Aam Aadmi Party in Jammu and Kashmir has been fully unmasked with the arrest of AAP's lone MLA Mehraj Malik, under the Public Safety Act.

Chugh said the dossier submitted by the state government has clearly established that Malik was engaged in disruptive and unlawful activities that sought to generate antinational sentiments. He added that Malik, backed by the Abdullah-led National Conference, represents the dangerous alignment of forces in J&K that have repeatedly compromised India's security.

"The Abdullahs have always pandered to separatist tendencies, and now by extending political support to AAP's MLA, they have exposed their willingness to join hands with a party that has been caught

tics. "In Punjab, AAP leaders have had reported links with Pak-backed extremist networks. In Delhi, they

red-handed aligning with Pakistan-sponsored disruptive elements," Chugh said.

Chugh pointed out that AAP's dubious record is not new—whether in Delhi, Punjab, or now in J&K, the party has consistently relied on confrontation, unlawful means, and anarchic polihave reduced governance to street-level hooliganism. And in J&K, their MLA has now been booked under PSA for activities prejudicial to national security," Chugh added.

Referring to Operation Sindoor, Chugh said Malik openly threatened government officials and attempted to obstruct security oper-"Multiple FIRs ations. against Malik prove beyond doubt that he was not acting as a responsible legislator but as a habitual offender with an anti-national streak. This is exactly why the administration had no option but to detain him under PSA," Chugh said.

The BJP leader said that AAP and NC together are trying to run a "Pro-Pak agenda" in J&K, but people have seen through their design. "This unholy alliance of anarchists and sympathisers separatist stands thoroughly exposed.

The people of Jammu and Kashmir want peace, progress, and development under Prime Minister Narendra Modi's leadership, not the politics of disruption and anti-national collusion that AAP and NC represent," Chugh asserted.

## **Indian Army's First Exclusive Freight Train on USBRL Marks** Breakthrough in Advanced Winter Stocking and Civil-Military Fusion

Jammu, Sept. 15: Udhampur-Srinagar-Bara mulla Rail Link (USBRL) witnessed a historic milestone with the successful run of Frieght Train, the first exclusive freight train of the Indian Army, from BD Bari to Anantnag on 12-13 September.

The train carried 753 metric tonnes of Advance Winter Stocking (AWS) loads for Indian Army units and formations in J&K, marking a decisive turning point in the Army's Advance Winter Stocking (AWS) modus operandi. This strategic initiative underscores the Indian Army's ongoing capability development efforts to ensure operational preparedness in challenging Himalayan terrain.

In a unique demonstration of dual-use logistics and military-civil fusion, the return rake of the Frieght Train will transport Kashmiri apples to markets in Rest of India. This step not only strengthens the

floods, will now be able to transport their produce seamlessly, ensuring both

caused by landslides and contribute tangibly to the socio-economic development of Kashmir. By harnessing rail infrastructure

Army's winter preparedness but also provides direct benefits to local communities. Farmers, who in the past suffered heavy losses

due to road blockages

economic relief and livelihood security.

The initiative reflects the Army's role in nation-building, extending beyond its core mission of defence to

for both military and civilian purposes, the Indian Army has taken a major stride in strengthening

prosperity in the region.
